

EMOTIONAL COPING SKILLS GROUP FOR TEENS

This 8-session, skills-based group designed for teens ages 14-18 who are currently struggling with anxiety, excessive worry, panic, irritability, or depressed mood.

This group will focus on:

- Learning to recognize anxiety, depression, and their symptoms
- Learning skills to reduce anxiety and control anger/frustration
- Building relaxation and self-soothing skills
- Understanding patterns of avoidance
- Confronting fears in a supportive environment
- Building engagement and activity level to improve mood

Where: 169 Libbey Industrial Parkway, Weymouth, MA
